

Wartburg Staff Council

September 2023

Who we are: The Wartburg Staff Council represents the voices of staff employees.

Staff Council mission statement:

The mission of the Staff Council is to support strategic initiatives, values, vision, mission, and goals of Wartburg College while providing a voice for staff on issues or concerns related to them. The Staff Council is committed to promoting open communication, understanding and solutions for staff interests, wellbeing, and needs.

The goals of the Staff Council are to:

- Provide a platform for communications
- Make recommendations on current policies and procedures
- Support professional development
- Collaborate effectively with staff, faculty, and students
- Engagement with the campus community
- Provide representation from each college division
- Provide employee wellness opportunities
