

My.Wartburg... *Tips to make your teaching life easier!*

Jing – Screen Capture with video, audio, and/or still picture

Download Jing onto your computer. Click on the link below:

<http://www.techsmith.com/download/jing/>

1. Click on either: [Download for Windows] or [Download for Macintosh] depending on your platform
2. Double Click on the Jing file that downloaded to your computer ...can be found at the bottom of your webpage or in your downloads file
3. Click on Run
4. Follow the Wizard to install
5. A little yellow sun should be at the top of your screen

Record a video:

1. Hover over the **yellow sun**
2. Select the **crosshair (+)**
3. Select the portion of your **screen you want to capture** by click holding and dragging
4. Click on the **Record Video button** (bottom of screen)
5. When finished click the **stop** button (bottom of screen)

Save or Paste URL

1. The video will open that you just recorded
2. Click on the **Share via screencast button** (first button on the bottom left - 3 arrows)
3. A dialogue box will open showing the progress of uploading your video
4. When video is finished uploading **paste** the URL of your video (The url is automatically copied into your clipboard and will be ready to paste after uploading)

Embed into My.Wartburg

1. Create a **Custom Content**
2. Click on **Edit Content or Create Content**
3. Click on the **pencil if the previous step you choose Edit Content**
4. Click on **HTML** (bottom of the text box)
5. Paste the following code in
 - a. `<p align=left><iframe src="http://www.whatever-website-URL-you-choose.com" frameBorder=0 width=800 height=700></iframe></p>`
6. Paste the **URL for your Jing video** in place of <http://www.whatever-website-URL-you-choose.com>
7. Click on **Save**
