

My.Wartburg... *Tips to make your teaching life easier!*

Using a Quiz for Practice Giving Automatic Feedback

1. Open your course, click on Coursework.
2. Add a test or quiz - [Directions](#)
3. Navigate to Step Two: **Design the Answers**
4. Next to each answer option, click on **Add feedback**
 - a. If using the same response for all correct and incorrect responses
 - i. Click on **Step Three: Automatic Feedback**
 - b. If using different responses for each response:
 - i. For the correct option, enter "Correct" or whatever you choose, click **Save**. *The Add feedback link will change to an Edit feedback link.*
 - ii. For the incorrect options, enter "Incorrect" or whatever you choose, click **Save**. *The Add feedback link will change to an Edit feedback link.*
 - c. Click on **Save and return to Test Builder**.
5. Click on the link **More** and select to **Edit Test**.
6. In Step Two: Online Assignment Options,
 - a. In Test Review: select Students can view their test: **Immediately after each attempt**
 - b. In **Retakes**: choose the number of times students can retake the test after their first attempt. Choose the final grading option (bottom of retakes section).
7. Click on **Save your assignment**
8. After submitting the quiz or test, students will be able to see what questions they got correct or incorrect.
9. Students may then choose to
 - a. Start Retake
 - b. Turn in exam
