

My.Wartburg... *Tips to make your teaching life easier!*

Downloading and Using the Locked Browser

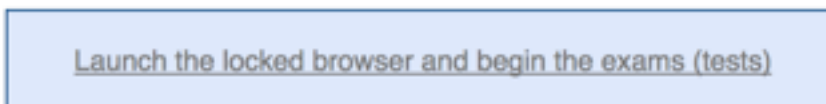

1. If the quiz or test is already created: Open your course, click on Coursework, click on the test or quiz
2. If the quiz has not been created, follow these directions:
3. After opening your test or quiz you will see a screen with directions and a yellow box (see below)

1. **Do NOT start the test or quiz before downloading and confirming you have the locked browser**
2. Click on [*Download the browser*] to download, choose Mac or PC
3. After downloading you will need to **install the browser** on your system
4. Confirm you have the browser by clicking on the [*Open the locked browser confirmation page*] link in the yellow box
5. Click [*Open Locked Browser*]
6. You will see a **green check confirming** you have the locked browser and can return to the assignment page
7. Now you may begin taking the test or quiz by clicking on [*Start the.....*] in the blue box (example below)

8. Click [*Launch the locked browser and begin the exams...*]

9. This may take a minute to open so be patient

10. Take your exam and submit
